LONDON GYMNASTICS

Providing the perfect balance of fun, passion and precision

Annual General Meeting Report 2018

Discipline	Tumbling
Prepared By:	Paul Welch

Highlights for previous year

- London Tumblers managed to achieve medals at international competitions
- Record number of entries into the Regional Championships and higher standard.
- Introduction of Regional Training sessions and really high demand.
- Several of the London gymnasts are members of the National Squad
- Even more clubs are entering Regional Championships.

Concerns

- There is always a struggle to get enough judges especially with the introduction of R&C
- The existing problem of finding a full length track. (when we start to get taller gymnasts at higher level).
- Arranging judging courses and having people who will pass.

Looking Forwards:

- Currently arranging an introduction to judging course.
- We are going to introduce a new improved tumble league programme.
- Planning more Regional Training events as this was a huge success.
- Coaching Clinics are going to be introduced.
- Encourage more participation.
