Covid-19 Frequently Asked Questions

Do I need to complete a COVID-19 test prior to attending?

Testing is not required to attend, however all attendees, participants, officials and spectators, should be aware of the increased risks associated with attending an event, and make a judgement based upon their individual circumstances relative to the risk of attendance.

Despite the lifting of all Government restrictions in a move to the 'Living with COVID' plan, event attendance still has an inherently higher risk of transmission and contraction of the Coronavirus (COVID-19). In a bid to keep gymnasts, coaches and officials as safe as possible we would ask that if you have tested positive for COVID 19 or are displaying symptoms that you stay at home.
