Sunday 7th September 2014

Huntingdon Gymnastics Club, Mayfield Road, Huntingdon, PE29 1UL

Aspire to Lead is a regional leadership day aimed at supporting the development of those Young Leaders who are following the MY Leadership Academy programme. These opportunities are to encourage Leaders to improve their leadership skills, motivate them to become better Leaders and gain new knowledge and skills through workshops, some of which are only available at Aspire to Lead days.

The price to attend a leadership day is £35. This is a fantastic price for the Leaders to be involved in a number of great sessions. Furthermore, Young Leaders who have achieved the Gold section of MY Learning will receive a £5 discount (please contact Lizzy Campbell, details below, for more information).

Workshop Title	Workshop Description	
<p>Workshop 1</p> <p>GymFit</p>	<p>GymFit is a programme which forms part of British Gymnastics' Gymnastics for All offer.</p> <p>GymFit aims to retain teenagers by providing a new fitness activity for them to continue their participation in gymnastics. It can help improve general fitness and physical condition via a series of 50 fun and challenging exercise work cards. Each work card includes a beginner, intermediate and advanced exercise and suggests a number of sets to complete with an accompanying challenge option.</p> <p>This workshop will be a brief introduction to the GymFit programme and how to implement it within your clubs.</p>	
<p>Workshop 2</p> <p>TeamGym</p>	<p>A practical session, where attendees have the opportunity to participate in a TeamGym session.</p> <p>TeamGym is a team competition for male and females, which includes routines being performed on three pieces of apparatus: floor, trampette and a tumbling track.</p> <p>TeamGym creates an effective exit route and social opportunity for older gymnastics wishing to remain in the sport as well as offering the opportunity to be part of a team.</p>	
<p>Workshop 3</p> <p>Choice of...</p>	<p>Intro to... Coaching</p> <p>Designed as the very first coaching qualification, this module will teach you about the responsibilities and qualities of a coach, safety in the gym, progressions and basic skills. You will leave the course as a coaching "helper", able to run warm ups, cool downs and side stations under supervision from the coach in charge.</p>	<p>Intro to... Judging</p> <p>This module is the first step on the judging ladder. Learn about the role of a judge and the principles of judging, whatever the discipline. At the end of the course, you should be able to differentiate between basic skills, spot common errors and evaluate skills, sequences and routines in low level competitions and events.</p>
<p>Workshop 4</p> <p>GymChallenge</p>	<p>GymChallenge is an informal competition opportunity which focuses on fun, team work and personal reward. Choose 10 multi discipline challenges to test your participant's agility, balance, and coordination. The flexibility of the programme allows you to set up intra club competitions.</p> <p>Based on 20 challenge cards, with 3 different levels of participation on each card, it is a fun and social competition format, which is not based on skill development but on competing as teams and attaining as an individual.</p> <p>Learn about the GymChallenge programme and how to implement it within your clubs</p>
