

# London Gymnastics for All (GfA) Technical Committee Presents

## White, Silver & Gold Level Competition

Saturday 22nd November 2014 Redbridge Sports Centre

Dear Parents, Friends, Coaches and Gymnasts,

Welcome to the eleventh GfA TC combined competition, where we have again taken on the challenge of all gymnasts competing together in one arena. We come back to the fantastic June Brown Arena at Redbridge and hope you enjoy the event. Programming almost 2000 gymnasts across four days has not been easy but we are sure the gymnasts will make it all worthwhile. In some categories we have had to split the entry into groups (according to DOB) or merge them with other age groups.

For full results please take a look on [www.london-gymnastics.co.uk](http://www.london-gymnastics.co.uk), links will also be on our facebook page [www.facebook/LondonGymnastics](http://www.facebook/LondonGymnastics) and will be LIVE on [www.gymdata.co.uk](http://www.gymdata.co.uk) during the event.

Many thanks to all the coaches, judges and event staff who make events such as these possible. London GfA TC reserves the right to run up to half an hour ahead of the published times

June Tatch (GfA Chair)
