WARM UP & COMPETE:

WARM UP: There will be no warm up marshals – performers must form an orderly queue for their turn. There will be a timed warm up therefore no guarantee of any specific number of warm ups can be given. Performers may use either trampoline. Club managers are responsible for their performers at the trampolines during this time (i.e. there will be no official at each bed). Spotting, assistance for performers getting on or off the trampoline or any other assistance is the responsibility of the club. Competitors will need to warm up both their set and voluntary routines during their allotted warm up time – there will be no separate warm up session for the voluntary.

COMPULSORY ROUTINES A or B: After warm up, there will be a one touch warm up where the competitor will have to choose which routine to practise. The performers will then return to the marshalling area and be called to compete in programme order. They will all compete their Compulsory routines in the same order. There will be no warm ups between routines so performers must be ready to compete (with spotters) as soon as required.

All timings are approximate. The competition organisers reserve the right to start groups early if the event is running ahead of time but will not run more than one hour ahead of programme time. The competition organisers accept no responsibility for competitors who miss their turn due to changes to the above nor for the competition running early or late.
