## Can a gymnast compete WAG / MAG / Acro / tumbling at the same time as GfA?

Yes, they can, it's great competition experience. The chart below shows the MINIMUM level they must start at if they compete in another discipline.

# Can a gymnast compete GfA if they have previously competed WAG/MAG/Acro or TUM at a higher level?

In many circumstances they can. The ethos for GfA is to keep people involved in the sport. We ask that you email the competition organiser with name and DOB of gymnast, previous year

of competition's results with level and reason why they wish to change. We will then speak to the relevant TC Chair to agree an appropriate level for them to compete in GfA.
