- 2) The organising team will announce each flight to assemble for their march on.
Please note: it is the Team Manager's responsibility to ensure their gymnast/s are in the correct place at the correct time for their march on.
- 3) The assembly point for the march ons will be located within the corridor next to the sports hall. LONDON TRAMPOLINING

REGIONAL TRAMPOLINING CHAMPIONSHIPS 2017

TIMETABLE INFORMATION

Warm Up

There will be no warm up marshals – performers must form an orderly queue for their turn. There will be a timed warm up therefore no guarantee of any specific number of warm ups can be given. Performers may use either trampoline. Club managers are responsible for their performers at the trampolines during this time (i.e. there will be no official at each bed). Spotting, assistance for performers getting on or off the trampoline or any other assistance is the responsibility of the club. Competitors will need to warm up both their set and voluntary routines during their allotted warm up time – there will be no separate warm up session for the voluntary.

Finals

The top eight after the first two rounds will proceed to the final of the London Regional Trampoline Championships which takes place on the Sunday. Finalists will have a warm up time for their group plus a one touch warm up before competing their final in domino style.

Where there are 8 or fewer gymnasts in a group the final will be accumulative of all three routines but with more than 8 gymnasts in a group, the final will be from zero.

All timings are approximate. The competition organisers reserve the right to start groups early if the event is running ahead of time but will not run more than one hour ahead of programme time. The competition organisers accept no responsibility for competitors who miss their turn due to changes to the above nor for the competition running early or late. Presentations will take place as per the timetable.
