**Event info:** Coaches should arrive 15 minutes before their gymnasts' arrival time. If a coach from the club is not present then gymnasts will not be allowed into the Grading Arena. On arrival the coach will register the club and collect the gymnast's certificates which will act as their number in competition and must be handed to the judges on each piece.

Gymnasts will go to their Panel Area with their coaches, they should NOT bring any bags or clothing with them. Gymnasts should arrive in their competition attire.

Running order is per club rather than per gymnast. If a club has more than one slot then they decide which gymnasts are in which round.

Gymnasts at L1 within their club should be the first to compete, followed by L2. Can coaches please order gymnasts appropriately and signal to judges when L2 is starting. Half the gymnasts in the group from a Club should start on the vault station and the other half on the floor station.

Apparatus stations are grouped together so that a Panel has vault and floor equipment together. Once a gymnast has performed their first piece of apparatus they wait to do their second.

Please ensure you have a MINIMUM of two coaches, but this can be more. You will have gymnasts on floor and vault at the same time and will also **need to be taking gymnasts back to parents once they have competed** so ideally a club would need four coaches or coaches plus club volunteers who know the gymnasts and parents.

**Gymnast attire:** Gymnasts should arrive ready for competition. No bags, coats, tracksuits should be taken into the competition arena and should be left with parents /guardians.

Girls: Appropriately fitting, long or sleeveless leotard, tight fitting shorts can be worn, gymnastics shoes may be worn.

Boys: Appropriately fitting Sleeveless leotard and gymnastics shorts, gymnastics shoes may be worn.

All long hair must be tied up. Jewellery, body piercing and similar adornments are not allowed

**Coach attire:** In line with BG regulations, coaches must wear club tracksuit or polo shirt, tee-shirt and long track bottoms. Footwear should be clean trainers or socks. Coaches will not be allowed on the floor if wearing inappropriate clothing or jewellery and their gymnasts

may be removed if an alternative coach is not present. Long hair must be tied back and bags should not be held whilst coaching.

**Judge attire:** Judges and officials must wear black/blue suits, skirts or trousers with jackets and white shirts with black smart shoes. Please see Judges Charter in Appendix.

**E-comms:** Apart from as required for the running of the competition, gymnasts, coaches, judges and officials must not use mobile phones or any other electronic communication devices including tablets, to make calls, take photographs or be used for other forms of communication in the arena during the event.

**Appeals:** There will be no appeals process in this event.

**Scores:** No scores will be given in this competition. Gymnasts are banded according to the score given by judges. These scores will not be announced or published. Every gymnast will receive a certificate and medal for the overall mark they achieve. There will be no placings, just bandings. At levels 1-2, to earn a Gold, Silver or Bronze medal the gymnast must achieve between the following scores:

Floor thresholds for Levels 1-2		
Gold = 9.1 to 10.0	Silver = 8.3 to 9.0	Bronze = 8.2 or below
Vault medal thresholds at Levels 1-2		
Level 1	Gold = 9.7 – 10.9	
	Silver = 9.0– 9.6	
	Bronze = 8.9 or below	
Level 2	Gold = 10.4– 11.8	
	Silver = 9.6 – 10.3	
	Bronze = 9.5 or below	

**Presentation:** There is no presentation ceremony. Once each set of judges has placed a sticker on the gymnasts' certificate (2 stickers overall), coaches should escort gymnasts in groups to the medal area to await their parents before going to receive their medal. **Please ensure you have enough coaches with you to manage coaching the gymnasts and escorting the gymnasts back to their parents.** Gymnasts and parents will then be able to go to the London Gymnastics display area to take photographs.

**Warm up:** This will take place in the competition arena at the gymnast's competition Panel area. A fun group warm up will be done to music with all children doing the same warm up together led from the front of the hall. (Coaches and parents can join in too!)

Gymnasts will then get one run through of their floor routine individually on the floor area. For Vault they will get 2 vaults to practise. The best of two vault scores will count for their stickers.

Please remember Level 1 & 2 are introductory levels where gymnasts are competing against themselves to win a medal. Judges will be sympathetic to the fact that some gymnasts have no competition experience and may be nervous.

**Please note:** Chewing gum is not permitted at any time.

**Parents:** Please ensure parents are given clear information on the competition. We have provided an editable parent's letter with all the relevant information about the event. Everyone involved in organizing the competition is a volunteer and should not have to deal with parents who are being abusive because clubs have not provided them with the correct Grading Information. If there are any instances of abuse to staff then the perpetrators will be asked to leave and if they do not the police will be called. Please help us to avoid these situations by ensuring your gymnasts' parents are informed.

6. Any club that does not have a nominated judge available for the whole weekend in which they have competitors will be fined £200.00 per day of competition.
7. The list of all judges will be circulated to clubs and judges, where appropriate. Clubs have a duty to pass this information on to their Coaches and Judges.
8. Judges wishing to withdraw and/or change their rota must inform the Judges' Convener within two days of receiving the list, taking into account the following:
