### **TIMETABLE**

#### WARM UP:

There will be no warm up marshals – performers must form an orderly queue for their turn. There will be a timed warm up therefore no guarantee of any specific number of warm ups can be given. Performers may use either trampoline. Club managers are responsible for their performers at the trampolines during this time (i.e. there will be no official at each bed). Spotting, assistance for performers getting on or off the trampoline or any other assistance is the responsibility of the club. Competitors will need to warm up both their compulsory and voluntary routines during their allotted warm up time – there will be no separate warm up session for the voluntary.

<u>COMPULSORY & VOLUNTARY ROUTINES</u>: After warm up, there will be a one touch warm up where the competitor will have to choose which routine to practice. The performers will then return to the marshalling area and be called to compete in programmed order. They will all compete their set, and then all compete their voluntary in the same order. There will be no warm ups between routines so performers must be ready to compete (with spotters) as soon as required.

#### FINALS:

These are on Sunday. After warm up, there will be a one touch warm up. The performers will then return to the marshalling area and be called to compete in programmed order. Performers must be ready to compete (with spotters) as soon as required.

Where there are **8 or less** gymnasts in a group the final will be accumulative of all three routines but with more **than** 8 gymnasts in a group, the final will be from zero.

All timings are approximate. <u>The competition organisers reserve the right to start groups early if</u> <u>the event is running ahead of time but will not run more than one hour ahead of programme</u> <u>time.</u> The competition organisers accept no responsibility for competitors who miss their turn due to changes to the above nor for the competition running early or late. Presentations at the end of each flight approximately.

### **SPECIAL INFORMATION:**

There will be an ultimate trampoline and a 4x4 trampoline on each panel The Finals on Sunday will be 'domino' – this means that the dymnast on panel 1

The Finals on Sunday will be 'domino' – this means that the gymnast on panel 1 will compete, once they have finished, the gymnast on panel 2 will compete. The panel which goes first will depend on the group sizes. Should the competition begin to run behind, the competition organiser may choose to change to standard competition running.
