**Report + Accounts**  
**For the year ending 31 October 2018**

## Annual General Meeting Report 2019

Discipline	<b>ACRO</b>
Prepared By:	<b>Chris Brockbank</b>

### Highlights for previous year

- 222 gymnasts entered the 2018 Regional Championships and National Prelims, split into 93 partnerships in 26 different categories. Although the numbers were down slightly on previous years the standard was up significantly.
- 26 gold medal partnerships progressed to the National NDP finals.
- The London partnerships had great success at the NDP finals coming away with 11 gold, 7 silver, and 2 bronze medals, and the National Team Trophy! London just missed out on this Trophy last year so there was considerable incentive to push the standard even higher to be the best region.
- The silver and bronze medallists progressed to the Inter-Regional Championships, in 13 different categories and came away with 4 gold, 4 silver and 2 bronze medals, just missing out on the Regional Team Trophy to Yorkshire
- 5 partnerships competed in the World Age Group and World Acro Championships, and came away with 2 gold and 1 bronze medal.
- A Bromley Valley Mixed pair were the British entry at the inaugural Youth Olympic Games.
- 9 partnerships competed in The British Tournament winning 4 gold, 1 silver and 1 bronze medal. These results demonstrate the depth and breadth of talent in the region.
- The region added 23 new judges to our existing pool of judges, meaning that every acro club now has at least 1 acro judge.
- The amended Acro Stars programme was rolled out offering increased flexibility for participation. In all a busy and productive year.

I must thank the TC for all their hard work and support.

I must single out the Events Team who work so tirelessly to make the Prelims so professional.

A special thanks to all the parent volunteers who support us at the prelims doing the boring bits, like checking wrist bands, with such good grace

Finally, I must thank the coaches and gymnasts who never cease to amaze me with their brilliance.

Thank you all!

### Concerns

- Providing sufficient opportunities for gymnastic involvement at all levels
- Increasing the number of disability partnerships
- Sustaining the number of judges at specific levels
- Although the number of judges has doubled in the past year the actual number of experienced judges, or judges eligible to judge at qualifiers has remained the same.

### Looking Forwards:

- Already looking forward to the new the 2019-2020 acro season.
- The European Games
- Running a workshop for disability coaching for LG acro clubs.
- Developing an electronic scoring system for acro events.
