The Key Steps competition is based on three Steps:

- Step one – Key Stage 1
- Step two – Key Stage 2
- Step three – Key Stage 3

Each 'Step' has a Floor, Vault and Body Management section to them each which challenges the gymnast in various ways; strength, flexibility and technical.

Within this competition the school Key Stages are being used as a guidance, but the categories are being adapted to allow more categories, therefore more prizes. See [Rewards and gifts](#) section for further details.

See the [Gymnasts that have...](#) section of this document for details regarding any specific entry levels restrictions e.g. gymnasts that have entered Artistic competition prior to this competition.

Notes:

- Depending on the number of entries in each category after the closing date, some categories are subject to change.

For example: 7 years category may become two groups of 7 years, Jan – Jun born and Jul – Dec born. This may also work in reverse, for example; 5 and 6 years will join as there are only two gymnasts in each age group entered.

This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

- Gymnasts must be of age [to enter the appropriate category] on the **date** of the competition.

For example: A gymnast needs to be 6 years old by the 22nd Sept 2019 to enter the 6 years age category.

- In fairness to all gymnasts, the coach should decide at what level gymnasts compete.
- Gymnastics for All (GfA) rules are designed to be inclusive:
 - Gymnasts with additional needs may take part within a mainstream category or a disability specific category.
 - If any gymnasts have specific additional needs/support, please make the Competition Organiser aware upon entry.
 - There are two entry forms types; mainstream 'Entry form' and the 'Entry form – Disability Gymnasts' which gathers further detail about the gymnast classifications and additional needs in comparison to the mainstream entry form.

Gymnasts that have...

- Entered Club level GfA or Artistic Floor and Vault competitions and won a medal must enter Step 3.
- Entered GfA Regional competition and won a medal are **not eligible** to enter at Key Steps level.
- Entered above Regional level are not eligible to enter Gymnastics for All competitions.

- Entered Men’s or Women’s Artistic County or Regional competition or grades are **not eligible** to enter Gymnastics for All competitions.
- Entered all levels of display festival **can** enter this competition.
- Competed within other recreational club, schools and leisure centre (inter and intra) type competitions **can** enter this competition.
- Been a former Performance Gymnasts wishing to compete at a lower level may do so, but must not have competed for **one year**, and enter at the advance more Levels

Note: With all points, the discretion of the coach’s professional judgement on the level which a gymnast should enter; and they should not advance the gymnast beyond their level or hold the gymnast back for the success of the club.

Apart from the above restrictions, you may enter any gymnasts at any level e.g. a gymnast could enter the Level 3 although they have never entered a competition prior. Thus, keeping in mind the physical and psychological factors involved with entering a gymnast at a higher level as their first time.

Maximum training hours

To ensure a fair competition, we have enforced the following maximum training hours per week:

Maximum training hours per week			
Level 1	Level 2	Level 3	Level 4
Two	Two	Three	Four

This applies to each individual gymnast.

Adaptations: Disability or Mainstream category?

When deciding with your gymnasts if they wish to enter a competition, you need to discuss if they wish to enter as into a mainstream category or a disability category.

To support gymnasts, integrate into mainstream gymnastics, there can be certain adaptations allowed without effecting how the gymnasts are scored/judged.

Appropriate required aids can be used to support gymnasts within the competition; gymnasts will be judges against the mainstream judging criteria unless entered a Disability category.

If you would like to discuss any possible adaptations prior to entering this event, please contact the Competition Organiser as each situation is decided on an individual basis.

If you both feel that adaptations into the mainstream categories aren’t currently the most appropriate entry method for the gymnast currently, then maybe a disability category would be most suited. Depending on the number of ‘entries’ and ‘classification of

impairments’, it will determine how the Competition Organiser is able to categorise the competition for Disability Gymnasts to maximise the experience for the gymnasts, as they would for mainstream gymnasts (see [Category breakdown](#) notes).

The next section ([Classification of impairments](#)) lists how the Competition Organiser may categorise the Disability Gymnasts for this competition.

Entering: Mainstream category

Following the process set in the [Entry method and closure date](#) section, completing the ‘Gymnasts details’ tab.

Entering: Disability category

Following the process set in the [Entry method and closure date](#) section, completing the ‘Gymnasts details – Disability Gymnasts’ tab.

Disability Gymnasts: Classification of impairment

As part of your entry form you will be asked to select the most appropriate classification(s) for your disability. This will help the Competition Organiser to organise the most appropriate categories for the competition. The Competition Organiser will use a similar process to create the appropriate categories for this event:

	Are the gymnast’s mainstream or disability?	What level are they	Male or Female?	How old are the gymnasts?	What adaptations are required?	How do the previous info fit into the classification of impairments?
Competition Organisers options	Mainstream Disability	Step 1 Step 2 Step 3	Male Female	5 years 6 years 7 years 8 years 9 years 10 years 11 years 12 years 13 years 14 years 15 years 16 years+	Individual basis	Category 1 – Hearing, Visual, and Physical Category 2 – Learning

Notes:

- Depending on the number of entries in each Classification of Impairment category after the closing date, some categories are subject to change.

For example: Category 1 – 1 Hearing, Visual, and Physical may be split into two (or three) categories to suit the number of entries per impairment.

This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

- If you are unsure of your Classification of Impairment, please contact the British Gymnastics Competition Coordinator for guidance – see [Key contacts](#) section.

Health and safety

Overview

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration. All British Gymnastics policies and procedures will be rigorously applied with regards to health, welfare and safeguarding and protecting children.

The intention of the event is to create a friendly and no-stress/low-pressure environment for all those involved, while allowing gymnasts the opportunity to challenge themselves to do their best. Ensuring the safety of the gymnasts, no matter their age, is a priority in the event set up, programme design, and risk assessment, using the guidance set out by British Gymnastics in its Safe Coaching Practice document – <https://www.british-gymnastics.org/documents/clubs-schools-and-leisure-centres/8851-h-s-guidance-safe-coaching-1/file>
