Regulations

Standardisation

Unless stated these regulations have been created to help standardise competitions within low-level events.

Etiquette

While competitions can become competitive, please ensure you support every gymnast, coach and parent/guardian involved. Everyone has been involved at some point and every competition/event is a celebration of those efforts.

It is important that the access to the 'Officials area' (judges, scoring, music etc.) is restricted to authorised personnel only.

The Competition Organiser has the right to withdraw any entry/entries where appropriate etiquette and professionalism isn't upheld before, during and after the event. This therefore could affect future attendance at events and become a welfare issue.

Photography

It is your responsibility as the coach in charge of your entered team/club to be aware, and have records, of anyone that can/can't have their photo/video taken for media purposes. If you have anyone that can't, please ensure the Competition Organiser is aware prior to the date of the event so they can inform the appropriate persons so that any photography/video of them is avoided. **This can be done via the 'Entry form'.**
