About

Host club

Twist & Flip Gymnastics Academy was started by Nicky Nicol after working alongside Beth Tweddle's Total Gymnastics Academy coaches at Cleethorpes Leisure Centre back in 2010 after speaking with them about the lack of the sport within the area, Nicky's idea was to start small running out of school clubs trying to give more children the opportunity to try the sport. Nicky is a strong believer that every child should get the opportunity to try the sport. With the support of my husband Mark & son Jack Twist & Flip was launched!

Our qualified and experienced coaches provide gymnastics classes from Monday to Saturday in Twist & Flip Centre as well as delivering PE lessons & out of school's clubs in the local Primary schools. We have a range of options to suit different styles, ages and abilities including parent and toddler sessions, disability gymnastics and adult classes.

Competition type: Men's and Women's Artistic

Competition level: Grades – unofficial

Competition pathway: The following diagram provides a generic overview of the pathway this type of event has up to Regional level.

See the [Gymnasts that have...](#) section of this document for details regarding any specific entry levels restrictions e.g. gymnasts that have entered Women's Artistic competitions prior to this competition.

Each level has been designed to progress gymnasts within a Gymnastics for All environment but also to align to the British Gymnastics General Gymnastics/Gymnastics for All Educational pathway. If you have developed your gymnasts to a higher standard (which is great) then exploring other discipline competitive pathways maybe an option – Please see your specific British Gymnastics regional web pages for discipline representative contact details on how to progress further.

Notes:

- Depending on the number of entries in each category after the closing date, some categories are subject to change.

For example: 7 years category may become two groups of 7 years, Jan – Jun born and Jul – Dec born. This may also work in reverse, for example; 5 and 6 years will join as there are only two gymnasts in each age group entered.

This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

- Gymnasts must be of age [to enter the appropriate category] in the **year** of the competition.

For example: A gymnast needs to be born in 2013 to compete in the U8 – 2013 category.

- Gymnasts to compete in the same level on all apparatus.
- In fairness to all gymnasts, the coach should decide at what level gymnasts compete.
- Gymnastics for All (GfA) rules are designed to be inclusive:
 - Gymnasts with additional needs may take part within a mainstream category or a disability specific category.
 - If any gymnasts have specific additional needs/support, please make the Competition Organiser aware upon entry.
 - There are two entry forms types; mainstream 'Entry form' and the 'Entry form – Disability Gymnasts' which gathers further detail about the gymnast classifications and additional needs in comparison to the mainstream entry form.

Gymnasts that have...

- Competed within County or Regional competitions **can** enter. Please use your professional judgment on this ruling.
- Competed within Club Grades **can** enter.
- Competed within an Artistic event above Regional **can't** enter this event.
- Entered all levels of display festival **can** enter this competition.
- Have more than one type of training session each week (e.g. GfA, Tumbling, and Trampoline) **would need to** combine their training hours to gain their total training hours, to compare against the [Maximum training hours](#) requirement.
- Competed within other recreational club, schools and leisure centre (inter and intra) type competitions **can** enter this competition.
- Been a former Performance Gymnasts wishing to compete at a lower level may do so, but must not have competed for **one year**, and enter at the advance more Levels

Note: With all points, the discretion of the coach's professional judgement on the level which a gymnast should enter; and they should not advance the gymnast beyond their level or hold the gymnast back for the success of the club.

Apart from the above restrictions, you may enter any gymnasts at any level e.g. a gymnast could enter the Grade Level 5 although they have never entered a competition prior. Thus, keeping in mind the physical and psychological factors involved with entering a gymnast at a higher level as their first time.

Maximum training hours

To ensure a fair competition, we have enforced the following maximum training hours per week:

Maximum training hours per week						
Men's	Level 0	Level 1	Level 2	Level 3	Level 4	
	Eight	Twelve	Twelve	No Max	No Max	
Women's	Club 6	Club 5	Reg 4	Reg 3	Reg 2	Reg 1
	Twelve	Twelve	Fifteen	Fifteen	No Max	No Max

This applies to each individual gymnast and includes all training hours no matter discipline.

Adaptations: Disability or Mainstream category?

When deciding with your gymnasts if they wish to enter a competition, you need to discuss if they wish to enter as into a mainstream category or a disability category.

To support gymnasts, integrate into mainstream gymnastics there can be certain adaptations allowed without effecting how the gymnasts are scored/judged. If you would like to discuss any possible adaptations prior to entering this event, please contact the Competition Organiser whereby you can discuss the most suitable option based on the needs of the individual.

Gymnast will be categorised into impairment groups dependant on the number of entries as you will see in the classification section below.

Entering: Mainstream category

Following the process set in the [Entry method and closure date](#) section, completing the 'Gymnasts details' tab.

Entering: Disability category

Following the process set in the [Entry method and closure date](#) section, completing the 'Gymnasts details – Disability Gymnasts' tab.

Disability Gymnasts: Classification of impairment

As part of your entry form you will be asked to select the most appropriate classification(s) for your disability. This will help the Competition Organiser to organise the most appropriate categories for the competition. The Competition Organiser will use a similar process to create the appropriate categories for this event:

	Are the gymnast's mainstream or disability?	What level are they	Male or Female?	How old are the gymnasts?	What adaptations are required?	How do the previous info fit into the classification of impairments?
Competition Organisers options	Mainstream Disability	Level 0	Male Female	2014	Individual basis	Hearing Visual Physical Learning
		Level 1		2013		
		Level 2		2012		
		Level 3		2011

		Club 6		2009		
		Club 5		2008		
		Reg 4		2007+		
		Reg 3				
		Reg 2				
		Reg 1				

Notes:

- Depending on the number of entries in each Classification of Impairment category after the closing date, some categories are subject to change.

For example: Category 1 – 1 Hearing, Visual, and Physical may be split into two (or three) categories to suit the number of entries per impairment. This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

First aid and welfare

These roles will be highlighted during the coaches and judges' briefings.

It would be most helpful if the supporting coach from each club is First aid trained (or more) particularly to support their own gymnasts, however this isn't essential.

Regulations

Standardisation

Unless stated these regulations have been created to help standardise competitions within recreational events.

Etiquette

While competitions can become competitive, please ensure you support every gymnast, coach and parent/guardian involved. Everyone has been involved at some point and every competition/event is a celebration of those efforts.

It is important that the access to the 'Officials area' (judges, scoring, music etc.) is restricted to authorised personnel only.

The Competition Organiser has the right to withdraw any entry/entries where appropriate etiquette and professionalism isn't upheld before, during and after the event. This therefore could affect future attendance at events and become a welfare issue.

Photography

It is your responsibility as the coach in charge of your entered team/club to be aware, and have records, of anyone that can/can't have their photo/video taken for media purposes. If you have anyone that can't, please ensure the Competition Organiser is aware prior to the date of the event so they can inform the appropriate persons so that any photography/video of them is avoided. **This can be done via the 'Entry form'.**

The following information is taken from the British Gymnastics policies and must be passed onto those who will be representing your club at this event, including spectators. At various points throughout the day the hosting club will also announce this information:

In the interests of child protection, photographs and video may only be taken during today's event in accordance with conditions set by British Gymnastics. Summaries of these conditions are on display and you can see a copy of the full conditions at **reception**. Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use or for publication in printed or electronic form, such as on websites.

Some photos may be published by Clubs, but this may only be done in accordance with the British Gymnastics Child Protection Policy.

There may be a professional photographer during this event depending on the number of entries.

If you have any concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to **Welfare Officer/Floor Manager**. In the interests of child protection please do let us know of anything that may be damaging to the welfare of a child.

The **use of flash or supplementary lighting is not permitted** while gymnasts are warming up or competing. Please make sure that the flash is turned off on any device being used as your camera.

The **use of live streaming is not permitted** during any part of this event.

When 'posting' images on personal social media please ensure the following to reduce the risk of publication of the image (this isn't the full list but key from the policy):

- **Personal details are kept to a minimum** – Use of their first name only etc.
- **Suitable, sensible, and appropriate image taking/selection** – Avoid such skills as splits and sensitive areas on the body
- **Blur anyone else out of the image** – Use technology to blur others out the image (if you can't, don't take/post the image)

If the Competition Organiser/Welfare Officer suspects inappropriate photography or filming, the Officer/Organiser should exercise their powers under the conditions to request the person to leave the venue and to surrender any film and/or delete any images relating to the event.
