Section One | Introduction

Welcome to your Team Leader Handbook, which contains useful information about EuroGym and European Gym For Life (EGFL) and your week of Gymnastics. The slogan for this year's EuroGym is 'Can't stop the feeling'. British Gymnastics is here to support you and your team to ensure that you get the most out of the EuroGym experience.

This document includes event information, organisational logistics and a provisional timeline for key dates in the lead up to the event.

EGFL takes place on 11th July 2020. It is an opportunity for teams to have their performance evaluated by an expert panel.

Although the events run consecutively, you do not need to participate in EGFL as well as EuroGym, and the option to participate in EGFL is available on event registration.

EuroGym is the biggest European gymnastics event for young teenagers. The event will take place from July 12th to 16th 2020. All participants and coaches must be British Gymnastics members in order to take part and registration is completed through British Gymnastics.

Participants attending EuroGym should be from 12 years old to 18 years old. There is an opportunity for participants in the group to be 10 – 11 years old or 19 – 20 years however this is dependent on the size of your team. The numbers will be checked by the Local Organising Committee (LOC) at the time of registration. A copy of all participant's passports may be asked for at registration, so please be prepared for this.

Helpful Websites

Further information can also be found via British Gymnastics website and EuroGym website.

Section Two | The Event Programme

EGFL

This is an opportunity for teams to have their performance evaluated by an expert panel. The evaluation is based upon several criteria, including: entertainment, innovation, originality, technique, quality, safety and variety.

- Location Laugardalshöll
- Date 11th July 2020

Key Considerations:

- Teams must have a minimum of six participants
- All participants must be aged 12years or older
- The performance **cannot be longer than 3 minutes** including preparation of the stage and marching in and out

EuroGym

This is all about gymnastics, fun and making new friends, and there will be lots of opportunities for you to network and meet a lot of different people from all over Europe. The week will be filled up with the following events:

- Opening Ceremony & Parade
- Group performances
- Workshops
- Educational Forum
- Cultural Activates
- Gala & Closing Ceremony

The planned programme is shown on the following page:

(This programme may be altered closer to the date, but we will inform you of any changes)

Section 3 – Venues | EuroGym Opening Ceremony & Parade – Fire and Ice

Location	Outside at Arnarhóll
Date	Sunday 12 th July
Capacity	2,500

All participants will meet outside of Arnarhóll – All participants will march on, as instructed on the day, wearing their GBR kit. The weather in Iceland can be unpredictable, so please be prepared.

Parade

The parade will go from Klambratún, which is a big green area near the city centre. A host will welcome every participant and present the opening ceremony produced by the LOC.

The will be the path walked for the Parade is shown on the next page:

Group Performances

Each Group will present their performance **twice** during the week. Stage performances **cannot be longer than 6 minutes** including preparation of the stage and marching in and out.

Location	Centre of Reykjavík
	<ul style="list-style-type: none">• Stage 1 - Hljómskálagarður (18 x 22 Metres)• Stage 2 – Arnarhóll (15 x 15 Metres)• Stage 3 - Ingólfstorg (15 x 15 Metres)
Date	13 th & 14 th July
Time	Throughout the Afternoon

Gala & Closing Ceremony

The Closing Ceremony and Gala show will be put together as one event, with Gala show first, and then followed by the Closing Ceremony. Since the venue has a capacity of 2,500, the Organisers will put on two Gala shows, which are the same. The theme for the Gala show is 'Summer Nights'. The size of the floor is 20 x 20 Metres and will be coloured blue.

Group 1 will start with the Gala and go for dinner. Group 2 will start with dinner and then perform in the Gala. When the second Gala show has finished, group

1 will join group 2 in the hall and the Closing Ceremony will commence. The Closing Ceremony will be followed by a DJ in Laugardalshöll.

Location Laugardalshöll
 Date 16th July 2020
 Capacity 2,500

Workshops

We are lucky that in Laugardalur there are a lot of different sports clubs as well as a lot of facilities for different workshops. On the registration form, you will have the opportunity to choose a maximum of six workshops. Each group is guaranteed to be given one of the workshops they have chosen, each group will be allocated four workshops, one city orienteering and one free morning.

Here is an example of workshops that are planned to be offered:

Beach Volleyball	Spinning	Teamgym
Water Polo	Games (Útileikir)	Street Ball

Yoga	Trampoline	Skateboarding
Circus	Artistic gymnastics	Bubble football
Football	Fiber	Rhythmic
Badminton	Judo	Special Choreography
Bandí	Ice Skating / Ice Hockey	Table Tennis
Acrobatic Gymnastics		Cross Fit

Gym Zone

During the evening participants can hang out and relax at the Gym Zone. The Gym Zone also gives participants the opportunity to get to know each other better by networking and making new friends from all over Europe.

Educational Forum

At EuroGym 2020 the Educational Forum is going to be focused on teenager's mental health. There will be a variety of information and support tools so that all coaches, volunteers, young leaders, family and friends can gain more knowledge and confidence regarding mental health and young people.

There will be two morning sessions; Monday and Tuesday morning:

- Children's mental health from 12 – 18 years old: How can we improve mental health through your sport?
- Are sports really for everybody? – Drop out from sports, how can we as coaches prevent that?

Section Four - Trip Information | Accommodation

Every participant will be allocated accommodation in a school near the heart of the festival. The LOC are aiming that most of the schools will be in walking distance from the city centre or Laugardalur. Even though Iceland is a very safe country, all the schools will have 24-hour security. Schools will be cleaned every day and breakfast will be served in the schools.

All participants must bring their own sleeping (inflatable) mattress and sleeping bag. The mattress must be a single mattress, unfortunately no double mattresses will be allowed in the accommodation as they pose a fire risk, blocking escape routes. It will be possible to pre-order mattresses and sleeping bags from the organisers at an additional cost.

British Gymnastics will allocate accommodation to all teams once final registration has been completed and we have been given our allowance of school rooms. Wherever possible we endeavour to keep teams together. Sometimes our room allocations mean that teams can be split over different classrooms however we will consult with you beforehand to make this as manageable as possible. We also must ensure that we are all compliant with the British Gymnastics policies and procedures for Safe Trips and Safe Environments and this will all be considered in the room allocations. It is not good practice for anyone over the age of eighteen to share a room with anyone under the age of sixteen. Members of staff such as coaches, judges, adult helpers/volunteers must not share with gymnasts. This is only acceptable if the member of staff is the parent or registered carer of the gymnast.

It is forbidden to consume alcohol in the schools. According to the Icelandic law, the drinking age is 20 years old. Not following the law will have severe consequences. A Participant's accreditation card will be withdrawn, the Participant will be no longer be able to stay in Iceland, and you will be responsible for having to pay for the first available flight home.

Catering

Breakfast will be served in the schools, and both lunch and dinner will be served in Laugardalshöll. The Organisers will serve nutritious and good food and there will be a vegan option available upon request.

We are aware that you may have some gymnasts with allergies in your group. Although the Organisers will do their best to cater for allergies, we cannot guarantee that this will be possible. In order to help us, and the Organisers, please let us know as soon as possible about any participants with allergies, and the specifics of these.

Transport

When it comes to public transportation (called Strætó in Icelandic) Reykjavík has an excellent bus system with regular services to and from all the city's major towns and attractions. If you want to plan your transport route [click here](#).

Flights

Flights are not included within the British Gymnastics Package for EuroGym and therefore it is up to each team to source their own flights to arrive on the designated arrival day and depart on the departure day.

- For teams entering EGFL, the arrival date is Friday 10th July 2020
- For teams entering EuroGym, the arrival date is Saturday 11th July 2020
- Departure date for all teams is Friday 17th July 2020

As Iceland is an island, the only way to travel there is by flight. Reykjavik is less than 3 hours flight from most British airports. To help with organising flights, the organisers are in collaboration with group flights: <https://groupflights.com/EuroGym2020>, they specialize in flights for large groups of people. They will be ready to help you get the best price for your flight to Iceland.

Insurance and Welfare

It is each participant's responsibility to have health and medical care insurance. British Gymnastics Insurance covers all participants from Great Britain for the gymnastics elements of the trip, however every participant will need to purchase travel insurance.

Legislation requires that when a club takes gymnasts under the age of eighteen on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To be suitably trained, the person must hold a current BG DBS disclosure and a valid BG recognised Safeguarding qualification. Initial 3-hour face to face Safeguarding courses can be accessed locally, a refresher is then required for certification to remain valid.

To adhere to CPSU child protection standards **the designated person must not be related to or in a relationship with the coach attending the trip in any way.**

British Gymnastics do not recommend that the designated person is a key member of the coaching team.

All coaches and volunteers travelling with the team must have a current BG DBS disclosure in place.

All Teams attending EGFL 2020 and EuroGym 2020 must be compliant with British Gymnastics Policies. In order to prepare for your trip successfully, please thoroughly read the following policies which specifically relate to this type of event.

- Health, Safety & Welfare Guidance: Safe Trips
- Safeguarding Children: Safe Environment

These can be found on our [website](#)

A British Gymnastics UK Based Welfare Officer will also be allocated for the trip.

Your Performance

Many types of gymnastics apparatus will be available and provided by the LOC, except for any bespoke equipment. Floor mats are classed as 'apparatus' so please ensure that you specify this when required.

Accreditation

Who can have accreditation:

- Coaches
- Gymnasts

Coaches may not take part in a performance as gymnasts. Parents and spectators can travel with the group however they are not allowed in the schools and will not get an accreditation.

Section Five | The Management Team

British Gymnastics staff will manage all registration on behalf of the GBR delegation. There will be a team from British Gymnastics at EGFL 2020 and EuroGym 2020 consisting of a HOD (Head of Delegation) along with additional supporting staff, this is however dependent on the size of the GBR delegation.

Section Six | General Information about Iceland, Reykjavik

Reykjavik is the capital of Iceland with approximately 123,000 inhabitants.

The hassle-free city centre is safe and clean. Although the Viking sagas tell the tales of violence and raids the Icelanders today are very friendly and peaceful, ranking number one on the global peace index 10 years in a row.

The weather in Iceland can be all kind of everything from hour to hour. But the summers are mild and fresh. July is the warmest month and during the summer we have day light 24/7 so there will be no northern lights during the EGFL and EuroGym festival. You can although enjoy everything Reykjavik has to offer, Iceland has been dubbed the land of the midnight sun and indeed around midsummer eve the sun is visible all-day round.

Currency

Iceland uses its national currency Króna. Most places in Iceland will only accept Króna, so make sure you come prepared with money already exchanged.

Medicines and Medical Treatment

Currently, citizens from the EU are entitled to free or reduced-cost NHS (National Health Service) treatment with an EHIC card. With the timing of Britain leaving the EU, this situation may change before the event. Please note however that full health and travel insurance will still be required.

There will also be a 24hr medical centre; details of this will be available on arrival and on notice boards in the accommodation. First aid provision will be available at all venues where performances are taking place.

Security

The safety of all event participants is paramount and British Gymnastics will conduct a thorough Risk Assessment and will work directly with the LOC to ensure plans and procedures are always in place and adhered to.
