• The sessions are practical workshops so please come dressed appropriately.

Workshop Session	Description
Workshop 1 - Introduction to Volunteering course	Intro to Volunteering. This module is one of four that makes up the Gymnastics Leaders' intro to courses. British Gymnastics have worked with members of the Gymnastics Leadership Academy to design this programme which aims to introduce Young Leaders like you to the exciting volunteering roles within our sport. The content is designed to be informative, thought provoking and enable you, on completion, to have a better understanding of gymnastic volunteering and the opportunities it offers. If you complete all four modules, all the assessments and the associated volunteering activities, you are eligible to be certificated for the 1st4sport Level 2 Award in Leadership through Gymnastics.
Workshop 2 and 3 – An Introduction to GymChallenge and GymFit	Gym Challenge: A programme focussed on the 11+ age group in the form of a mass participant team competition, which is multidisciplinary and open to all. Each challenge is categorised into difficulty levels, 1-3. The practical session will introduce you to a series of the challenges. You will cover how to organise and deliver the event including how to score each challenge. GymFit: A programme focussed on the 12+ age group which aims to improve general fitness and physical condition via a series of strength and conditioning exercises which are split into upper body, lower body, core and cardiovascular activities. These activities are
	categorised into beginners, intermediate and advanced work cards. This practical session will provide ideas on how to deliver GymFit sessions in various formats.
