2. Performer / Team Information

Equipment

The performance area will be a 12mx12m sprung floor. Tiered seating will directly face the floor, with a back drop behind, please be conscious of this when developing your routines and ensure that performers do not leave the set area.

If a team requires any further equipment, that we cannot supply, it is the responsibility of the team to transport this equipment and carry out a full equipment check and risk assessment. We can only insure British Gymnastics approved equipment. Any equipment requirements, or if you are bringing any of your own equipment, will need to be requested using your Team Sheet prior to the closing date. Those bringing equipment will be contacted closer to the event to arrange drop off/collection of equipment.

A 12mx12m non sprung floor will be provided in the warm up gym, If you wish to practise to music there will be a system available please bring an additional copy of your music.

Performance Time

Performance slots (routines) are between 2 – 6 minutes. This must be adhered to.

If you require a longer time slot you must contact the organiser as soon as possible. If we are unaware of your team needing more time on the floor then we will ask you to stop your performance and your music will be cut at 6 minutes. The show is timed and the event organisers must stick to the timings scheduled. If you do require more time, we will do our best to accommodate your request prior to the event but can't guarantee a longer slot will be available therefore please contact the organiser asap. Requests for longer time on the day of the event will not be accepted.

Music

Music choice is optional and may contain vocals and sound effects.

Preferably, the organisers will require a copy of your music to be sent via email in an MP3 format by Friday 31st October. Please email to Natasha Lovett (natasha.lovett@british-gymnastics.org). If you have any problems sending your music via this method then please let Natasha know prior to the closing date and we will make alternative arrangements.

Please ensure your music is sent through as a single complete track or if using multiple tracks, that these are sequenced in the correct order.

Please note that at GymFusion Newcastle, you are not permitted to use music belonging to Disney, Andrew Lloyd Webber and Cirque.

Team Information Sheet

The team information sheet (Appendix 1) must be fully completed and returned to the event organiser via email (chloe.lambert@british-gymnastics.org) by Friday 31st October 2014. Please email it sooner if possible.

Dress Code

We encourage teams to be creative with their outfits as this really adds to the performance and makes the show more spectacular. However coaches and participants are requested to dress with safety in mind and ensure all jewellery is removed.

Warm Up

Teams will be expected to wait in their designated areas and will therefore need to keep warm. We will attempt to provide a body warm up followed by a routine run through, prior to each team's performance. Please note that there will be no option to warm up in the performance arena.

Gymnast Seating

Each team will be allocated a performance slot which will either fall in the first half or the second half of the show. When teams are not required for their warm up, or performance, they will be able to watch the show with their coaches in a designated 'coaches and gymnasts area'. This will be separate to the main spectator area. Gymnasts must be supervised at all times, whilst in the gymnast spectator area.

Arrival Details

Entry to the venue for gymnasts and coaches will be accessible via the main entrance to the facility. Please arrive at the entrance by 12.30pm with all coaches and gymnasts at the same time. Parents/guardians will be allowed into the main building from 12.30pm however the seating area will not open until 1.15pm

You will have 30 minutes (from 12:30pm/13:00pm) to arrive and sort costumes/make up etc. Each team will be allocated a space where they will be expected to store all bags and remain before warm-ups commence.
