2. Performer / Team Information

Equipment

The performance area will be a 14m (width) x10m (depth) tri-bond floor on a raised performance stage. The stage is set back in the performance hall closed in by walls at the back and either side, There will be a small area (two metres to each side and one metre in front and behind) around the performance floor on the stage. Please be conscious of this when developing your routines and ensure that performers do not leave the set area.

We have further free standing equipment that can be made available. If a team requires any further equipment, that we cannot supply, it is the responsibility of the team to transport this equipment and carry out a full equipment check and risk assessment. We can only insure British Gymnastics approved equipment. Any equipment requirements, or if you are bringing any of your own equipment, will need to be requested using your Team Sheet prior to the closing date. Those bringing equipment will be contacted closer to the event for you to arrange drop off/collection of equipment.

A 14mx10m tri-bond floor (not sprung) will be provided in the warm up hall, however access to free standing equipment will be limited. If you wish to practise to music there will be a system available please bring an additional copy of your music.

Performance Time

Performance slots (routines) are between 2 – 6 minutes. This must be adhered to.

If you require a longer time slot you must first contact the organiser to see if this is possible. If we are unaware of your team needing more time on the floor then we will ask you to stop your performance and your music will be cut at 6 minutes. The show is timed and the event organisers must stick to the timings scheduled. If you do require more time, we will do our best to accommodate your request prior to the event but can't guarantee a longer slot will be available therefore please contact the organiser asap. Requests for longer time on the day of the event will not be accepted. It is in your best interest to create a 6 minute max routine as this is the guaranteed maximum time available to each team.

Music

Music choice is optional and may contain vocals and sound effects.

The organisers will **require a copy of your music to be sent via** email in an MP3 format by Monday 29th June. Please email to Natasha Lovett (natasha.lovett@british-gymnastics.org). If you have any problems sending your music via this method then please let Natasha know prior to the closing date and we will make alternative arrangements.

Please ensure your music is sent through as a single complete track or if using multiple tracks, that these are sequenced in the correct order.

Please note that at GymFusion Bournemouth, you are not permitted to use music belonging to Disney, Andrew Lloyd Webber and Cirque.

Team Information Sheet

The team information sheet (Appendix 1) must be fully completed and returned to the event organiser via email (dom.elsom@british-gymnastics.org) by Monday 22nd June. Please email it sooner if possible. This information is to be used to create the event announcer's speech so please bare this in mind when completing it.

Dress Code

We encourage teams to be creative with their outfits as this really adds to the performance and makes the show more spectacular. However coaches and participants are requested to dress with safety in mind and ensure all jewellery is removed.

Warm Up

Teams will be expected to wait in their designated areas and will therefore need to keep warm. We will attempt to provide time for a body warm up followed by a routine run through in the warm up hall, prior to each team's performance. Please note that there will be no option to warm up in the performance arena.

Both shows will have a half way interval. The teams participating in the first half of the show will remain in their designated areas/ the warm up gym; those participating in the second half of the show will take their seats in main hall (to watch the first half of the performances). At the half time interval, the teams will switch. There will be event staff to assist you in knowing where your team needs to be at these times.

Gymnast Seating

Performers will be able to watch the half of the show that they are not performing in. They will be seated in the performance arena and will not be permitted to leave this area when the show is taking place. Ensure warm clothing is brought as it may be cold in the main performance arena.

Arrival Details

Entry to the venue for gymnasts and coaches will be accessible via the BIC main entrance. Please arrive at the venue entrance by 11:30am (1st show) or 3:30pm (2nd show) with all coaches and gymnasts at the same time. Parents/guardians will not be permitted entrance into the warm up and back stage areas and will be required to wait to enter the performance hall with a valid ticket when doors open half an hour before each performance starts.

You will have 45 minutes (from 11:30am for first performance slot and 3:30pm for second performance slot) to arrive and sort costumes/make up etc. Each team will be allocated a space where they will be expected to store all bags and remain before warm-ups commence.

Only participants entered through the online entry system will be allowed to perform on the day.

All participants must be at least Bronze members of British Gymnastics throughout training and at the time of the event. At this point, it is this individual that takes the responsibility to ensure that this is correct at all times.

We have allocated space for 2 coaches per team however we understand that this must meet the needs of the performers and also the coach to gymnast ratio.
