SPECTATOR INFORMATION

Due to new health and safety, plus fire safety regulations we are restricted to the number of spectators we are allowed to have upstairs in our viewing area at any one time. Due to this, it is necessary to limit tickets to all future competitions to 2 tickets per gymnast ie if you have 8 gymnasts in a round you will be allocated 16 tickets. It doesn't matter how you use the tickets for example if one gymnast only needs one ticket another gymnast can use 3 but the maximum number of seats per competition will only be the number allocated. You cannot move tickets between rounds.

Once entries have been received and programmes finalised you will then be sent your ticket allocation. Parents will need to bring the tickets on the day so they can be paid for.

If a parent has gymnasts in more than one competition one of the 2 allocated tickets in each competition will need to be for the non competing gymnast. Parents get their hand stamped once they've paid. Parents watching for more than one competition will not have to pay twice but will need two different tickets.

We will ask all spectators to leave the viewing area with all belongings at the end of each competition and re-queue to enter for the next one. This allows us to clear the seating area and set up the chairs in preparation for the next competition.

Refreshments will be available to buy on the day.

We would be grateful if you could feed this information back to your parents.

DE PHOTOS

We are pleased to have DE Photos at all our competitions for 2019.

Photos will be available to buy on the day and a code will also be available to allow you to browse at leisure.
